The Honorable Edward J. Robeson, Jr.  
House of Representatives  
Washington 25, D. C.

Dear Mr. Robeson:

Thank you for your letter of 18 August to Mr. Dulles regarding the interest of the firm of Williams, Coile & Blanchard, architects, in being considered as an associate architect for the new CIA headquarters installation.

At the present time we have not made any decision as to an associate architect or whether in fact one will be necessary. However, at such time as we do consider this question, we shall be glad to have Mr. Williams' firm in mind.

With kindest regards.

Sincerely,

*WLP* *bm*
